**Subject:** Please call Rep. Richards

Larry,

If you have time, can you please call Rep. Richards to discuss this state designated schooner thing. His cell phone number is 414/416-1695.

The Pier Wisconsin folks would like it made a "state symbol" of the same status as the robin and the maple tree. We aren't sure of the process, but we know that a bill will have to be drafted.

Mr. Frank Steves is sending photos and stuff to our office and we will forward them to you.

On a side note, I will be out of the office starting tomorrow thru next week on family vacation to Disneyworld, so please feel free to touch base with Rep. Richards directly or ask for Scott in our Capitol office.

I apologize that this is on-going!! Thanks!

Tara J. Vasby  
Leg. Assistant  
Rep. Jon Richards

You asked what states have designated a state ship and whether there were other similar types of designation categories.

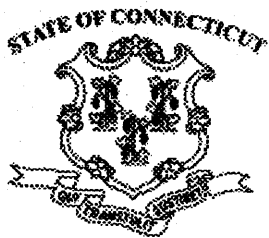

New Jersey, Pennsylvania and Rhode Island all have designated state ships with an official designation that includes the type of ship. Connecticut, Texas and Washington simply have designated state ships. Table 1 shows the states with the official designation, name, and type of vessel.
